"Incredible from trial to aisle!

Wow, Amy Rose absolutely exceeded my expectations for my May Wedding at Hyde House.

From day one from booking Amy as my makeup artist (believe me book early!), to my trial and on the Wedding Day Amy was nothing short of amazing. In the trial Amy took the time to understand my vision for the day and made feel feel totally relaxed. On the wedding day, I adored my makeup as did my bridal party. My makeup looked flawless and lasted all day and all night!

I can't recommend Amy Rose enough. She's not just a talented makeup artist but also a beautiful person inside and out. Thank you so much Amy Rose!

Consultation -

This is an initial conversation where we can discuss what you are looking for. We can do this face to face or simply talk on the phone to discuss your thoughts for the big day where I am happy to answer any questions you may have.

Makeup trial -

In the trial we take the time to plan you the perfect bespoke look, tailoring every aspect of your make up to compliment, your hair, dress and location. This means that on your Wedding day you don't have to worry about a thing!

We will also schedule the timings for the big day, so you have plenty of time to relax and enjoy the process. I also recommend having the trial on a day where perhaps you are going out or would like your makeup done so you can put it to good use.

Your Wedding Day -

On your day I will arrive 30 minutes early to set up, we will have plenty of time scheduled to get you and your party ready, so this is the time to sit back relax and enjoy. I will stay until you leave with your family/bridesmaids, so I can ensure your makeup is perfect up until the last minute and do any last-minute touch ups or tweaks.

One brilliant, busy lady!

I was super lucky to have Amy as the makeup artist for myself and my five bridesmaids for my wedding. She is incredibly popular and busy for a reason- this woman is magic! If you're thinking about it, just book!!!

From the trial in her gorgeous home to the wedding day itself, she really listened to what I wanted and created gorgeous makeup that looked flawless in person, in photographs and lasted through sun, rain, happy tears and serious dancing until I finally crawled into bed at 3am!

On top of that, shes really lovely and a calming but fun presence on the wedding morning- essential!!!

I've got a large bridal party - can you accommodate us all?

Of course! Depending on your ceremony time, Amy can usually accommodate 1 Bride and 6-8 Guests.

If your bridal party is larger than 7/8 then you may require a second MUA. This can be discussed and quoted accordingly at the time of booking.

Change Of Look

If you require a change of look in the evening please inform us at the time of booking and we can add this service to your quote.

Additional Services for destination brides

Why not make the most of having your own personal MUA at your disposal, if you have an evening meal the night before your wedding or would like to look fabulous for your wedding breakfast the next morning, just let us know and we can add any additional service to your booking.

Changing venues midway through the morning

Some venues have a later access time, this is not a problem we can start at accommodation and move to the venue midway through the morning. There is no additional charge for this if it is within a 20 minuet commute.
